

Treasurers Report for 2020-2021

Continuing on from last year, in part due to some Covid 19 restrictions remaining in place for part of the financial year, and then a reduced appetite for larger social gatherings throughout the rest of year, opportunities to raise income for the RDCA have been limited.

The second cancellation of the Rhandirmwyn Show, meant missing out on the proceeds from the tea stall and hire of marque again.

No income has been raised by the RDCA this year.

Two significant donations have been made to the Association this year from H2O Power Towy Ltd as 'contributions to the community'.

£5000.00 was received in November 2020 and a further £4940.00 in May 2021

RDCA Website- we continue to use Pach Solutions to host the website at an annual cost of £144.00, there have been no additional website costs.

Current cash balance is £211.68

Current Account £625.11 (Defib restricted funds remain at £224.43)

Deposit Account £10,504.77

The year end accounts will be posted on the website as per usual.

Georgina Walters, Treasurer
